Sir,

Ref: G.O. No. 670 L.A., dated 3-4-47.

I forward herewith letter No. 11979-47-B5 dated 26-6-47 on the above subject.

Sir,

Sub:- Health Officers- Municipal Health Officers- submission of diaries to the Municipal Council.

Ref:-Government Memo. No. 92013-E1/47-1-P.H., dated 26-11-47.

I have to state that provision already exists to the effect that the municipal Health Officers should produce the diary when required to do so by the Chairman, Municipal Council (vide item 24 under "4-Municipal Health Officers" on page 45 of the Public Health Code- Part I - Administration).

2. The suggestion contained in the Government Memo. does not appear to be feasible as the Municipal Council as a body may not be able to scrutinise the diary and assess the work of the Municipal Health Officer. As an alternative I would suggest that the Municipal Health Officers may be required to submit a monthly report on the Public Health administration of the municipality including his own work to the Municipal Council. This monthly report may be included in the agenda for the first ordinary meeting of the council on the succeeding month and may be discussed by it.
